About Us ...

Cold Stream Farm is a bare-root seedling and transplant-growing nursery located in Free Soil, Michigan. Our small, family owned nursery has been in operation since 1978.

Most of our customers are return customers from previous years.

We sell to many conservation districts, nurseries, wildlife / outdoor clubs and businesses, and private landowners throughout the United States.

For a brochure and price list or questions of any kind, please visit us at

www.coldstreamfarm.net

or call 231.464.5809.

We never outgrow our need to play in the dirt.
